

Newton Abbot Squash and Tennis Club 22 January 2025 AGM

Membership Secretary's Report*

In this, my fourth year as Membership Secretary, I am extremely pleased to report another very successful and active year for the Club.

To date, we have a total of 307 members. In the last 12 months the membership has stayed steady with an active turnover of around 80 members. I am happy that, of the members that have left, none have been due to any problems with the club. We have had members who have moved out of the area and members who have suffered various injuries or ill-health who have expressed a wish to return in the future. We have also had members who find that they are not playing as much and have decided to just continue playing as guests.
