

ENTRY CLOSES 8pm on Friday 19 April 2019

Summer Teams 2019

Summer Teams is back! Starting Tuesday 7th May! Whole month break in August!

Last year Summer Team was a great success, well attended and many people enjoyed the format.

This year will follow the same format with slight changes. There will be a limited numbers of players, hopefully more reserve players available, the format of play will be '30 minute - as many points as you can get' (5-minute warm-up, 25 minutes play). Hopefully this will encourage team spirit and ensure that the event is well supported.

The competition will start on **Tuesday 7th May** and will continue each Tuesday throughout May, June and July. In September there will be a main and plate semi-finals with a finals night on Friday 13th September. **This year there will be a surprise bonus round in each leg.**

There will be 6 teams in each alternate week with hopefully 5 players per team. Teams will consist of one of the following dependant on number of entries:

1. 3 squash players and 2 racketball players
2. 2 squash players and 3 racketball players

Handicaps will be used for all games.

IMPORTANT: If you put your name down to play then **YOU** are responsible for paying the £8 entry fee on the night. You can ask your stand-in player to pay the £8, but it is your responsibility to pay! **EVEN** if you pull out of the competition for **ANY** reason or you are not available on a specific night **YOU** must make sure the playing fee is paid. It is not fair to expect your team mates to pay extra to cover the lights and meal. Also, if you arrange a stand-in player that is playing already on the same night, then it is not fair to expect that stand-in player to pay twice or on your team to pay the entry fee.

If you feel you cannot commit then please consider putting your name down as a reserve so that you may possibly get one or two games.

Teams will be chosen on a "first-come, first-served" basis from the entry list. If there are more entries than available to make full teams, then players that don't make the teams will automatically be added to the reserve list

The cost will be £8 per player night to cover the lights, food **AND** a **free entry** into the lucky draw competition on the night. **All T-Shirts this year are included in the weekly price so no upfront £7!**

We have limited numbers to ensure everyone is committed and willing, please take a look through the rules and poster.

You can sign up now in the squash courts. Please help us and sign up early so we can get teams sorted.
