

To: The Marketing Manager

Every year, the Newton Abbot Squash, Racketball and Tennis club hosts their squash and racketball summer team competition.

We invite local South West businesses to sponsor prizes for the finals evening competition every year. After thinking of businesses in the community that we want to be affiliated with, we naturally thought of approaching your company.

The competition has 60 playing members and a varying number of reserve players and supporters each week. The competition takes place during May, June and July with the finals matches in September. In total there are 15 evenings of matches.

The money raised from the raffle and auction on the finals evening is used to support a local charity. This year we have chosen the following charity:
Let the Beat Drop – started to raise £30000 for the The Royal Papworth Hospital Heart Transplant DCD Programme

This charity has been chosen as a former Newton Abbot 20-year lady suffered from a rare heart condition called Danon disease and after receiving a heart transplant she created the “Let the Beat Drop” to try raise the £30000 funding. This brave young lady is the daughter of a former long-time member of the Newton Abbot Squash, Racketball and Tennis Club and we feel that this is a very worthy charity to try raise as much funds as we can . To read more on her story please see:
<https://www.devonlive.com/news/devon-news/woman-20-gets-life-back-2795719>

Your company name will be displayed on any prize provided and will provide a good marketing opportunity as well as providing support for the chosen charity.

If you have any questions, please contact me directly at steve@ogwell.co.uk or speak to the co-ordinator that approached you.

Thank you,

The Summer Team Committee
