

COVID-19 LOCAL RESTRICTIONS IN ENGLAND

TENNIS ACTIVITY BY TIER

RESTRICTIONS APPLICABLE FROM 00:01 ON WEDNESDAY 2 DECEMBER 2020

KEY POINTS

- This grid outlines a summary of the Government restrictions for each tier of restrictions across England and what that means for tennis activity, effective from 00:01 on Wednesday 2 December 2020
- Details of which tier each area of the country is in will be published by the Government on Thursday 26 November
- Where activity is listed as permitted, this may still be subject to additional restrictions and protocols - venues, coaches, players and officials should therefore refer to the LTA's full COVID-19 secure detailed guidance before undertaking any activity
- The same Tier 2 and Tier 3 rules also apply to people from these areas even if they travel to an area in a lower tier
- The Government have confirmed that there is an exemption for indoor group tennis activity for disabled people and for under 18s (and also for organised activity for education) and it is safe and appropriate for activity for these groups to continue indoors in both Tier 2 and Tier 3 areas as long as it is done in line with the LTA's COVID-19 Secure guidelines for players, venues, coaches and officials
- There remain some aspects we are awaiting clarification from Government on, as detailed in the grid – this document will be updated in the coming days as soon as confirmation on these aspects is received
- This grid should be viewed in conjunction with the main LTA Coronavirus guidance documents for tennis players, venues, coaches and officials which will be updated and published on the LTA website by Friday 28 November. Please refer to the main LTA coronavirus information page for all the latest coronavirus updates at www.lta.org.uk/coronavirus
