Squash Teams News

We are mid-season in the Squash season with team games set to resume next week. In the first half, all of our Squash and racquetball teams did excellently, and special congratulations to the 2nd team for achieving promotion to Division 1!

Tennis Teams News

All of our tennis teams - Women's, Men's & Mixed, are challenging for honours in the Winter leagues. Preparations are being made for the summer league season too, with a new intermediate squad on Wednesday evenings for those women and men who are looking to break into the league teams. Look out for forthcoming details of the Summer Tennis Programme.

Guest Fees & Court Bookings

Guest fees for tennis and squash are now £5, to be paid to Paul at the front desk. Payment is the responsibility of the member playing with the guest. Please also note that all courts must be booked to play. We've had players turn up to play tennis on Sunday nights and unable to put lights on because no courts have been pre-booked. So getting booking, and happy playing folks!
