Junior Squash Success

Massive success for the club's juniors last month at the British Champs - including 10th and 14th place finishes for Ioan and Billy in their first year in the U17's category. Both have been playing at the club since they were 6 years old, and these placings ranks them amongst the very best!

Press Watch

Great to see the club getting noticed by the local press, as alongside the match reports, the Mid-Devon Advertiser ran a small piece on the recent training sessions for the World's top players at the rec at the end of last month.
