

Handicap Tournament Rules

If you do not show for your match your opponent can take a walkover.

If the match has not been played, a coin toss by the organisers will decide who moves onto the next round

All rounds up to and including the quarter finals will be the best of 3 games, point per rally to 15.

Sudden death at 14-all

Semi-finals and final will be the best of 5 games, sudden death at 14-all.

Where a player has a positive handicap they start on positive points e.g. -34 handicap playing +6 handicap means play starts at -34 to 6

Where two players are both on a negative handicap the lowest handicap starts on zero and the same number is deducted from the higher handicap e.g. -27 handicap playing -10 handicap means play starts at -17 to 0

Where two players are both on a positive handicap the lowest handicap starts on zero and the same number is deducted from the higher handicap e.g. +2 handicap playing a +6 handicap means plays start at 0 to 4
